Carla—

Attached is the signed EPA Consent Agreement for Redevelopment properties. Should I send it directly to their contact in this email thread? Thanks.

Carla,
 We're planning on addressing these properties this construction season but we still need consent/access from the City. Can you point me in the right direction to get this moving.

Jaime,

Below is a list of City of East Chicago properties in Zone 2 that are on our priority list for this construction season. Where I have information regarding the specific City Department, it is provided. All of these properties are on our list as lead is present above 1,200 ppm in the top 6 inches of soil.

We are currently conducting excavation along McCook Ave, and I would like to get started on the McCook Ave property listed below within the next week if possible.

- 1)
 - 2)
 - 3)
 - 4)
 - 5)
 - 6)
 - 7)
- Personal Address / Ex. 6

Thx,
Dan
